

Graphing Linear Equations

scan for answers

Chapter 4: Worksheet 5

Level 1 - Graph a linear relationship from a table of values

Level 2 - Graph the linear relationship from slope-intercept and point-slope form

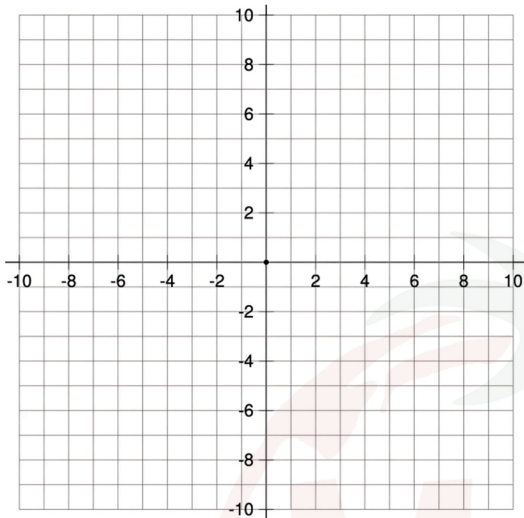

Level 3 - Rearrange the equation into slope-intercept form and graph

Level 1

Plot and connect the points for the following linear relationships.

a)

| | | | | | |
|---|---|---|---|---|---|
| x | 0 | 1 | 2 | 3 | 4 |
| y | 1 | 2 | 3 | 4 | 5 |

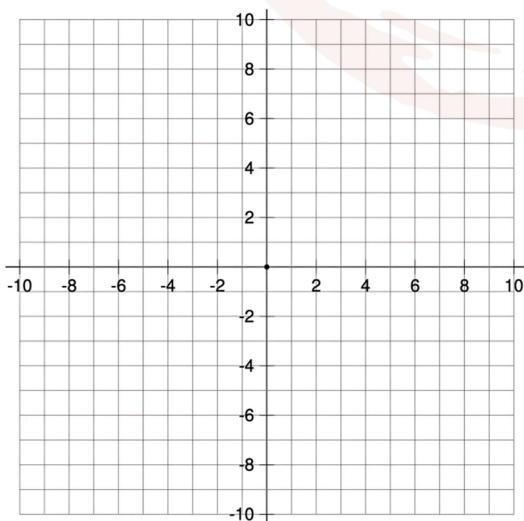

b)

Level 3

Rearrange the equation into slope-intercept form and graph.

a) $x + y = 2$

b)
